

As readers we will learn to:
<ul style="list-style-type: none"> <li>• discussing words and phrases that capture the reader's interest and imagination</li> <li>• predict what might happen</li> <li>• ask questions to improve their understanding</li> </ul>
As writers we will learn to:
<ul style="list-style-type: none"> <li>• continue to develop their understanding of the concepts</li> <li>• use and understand grammatical terminology</li> </ul>
As mathematicians we will learn to:
<ul style="list-style-type: none"> <li>• Continue to use place value and the 4 operation and solve problems</li> <li>• Measure time and space</li> <li>• Recognise and describe angles and shape</li> </ul>
As scientists we will learn to:
<ul style="list-style-type: none"> <li>• Compare, observe, group and indentify materials</li> </ul>
As geographers we will learn to:
<ul style="list-style-type: none"> <li>• identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)</li> </ul>
As computing engineers we will learn to:
<ul style="list-style-type: none"> <li>• Become programmers</li> </ul>
As artists we will learn to:
<ul style="list-style-type: none"> <li>• Use a range of materials</li> </ul>
As designers we will learn to:
<ul style="list-style-type: none"> <li>• explore and use mechanisms [for example, levers, sliders, wheels and axles] in their products</li> </ul>

As explorers:	Within the wider community:	As language speakers:	As physical learners, we will:
Explore our known solar system.	Begin to plan for spring and summer projects and fairs	Continue to use the French language.	Continue to use and improve knowledge and skills learnt
